MEGALINES EDUCATOR INSURANCE INFORMATION BOOKLET

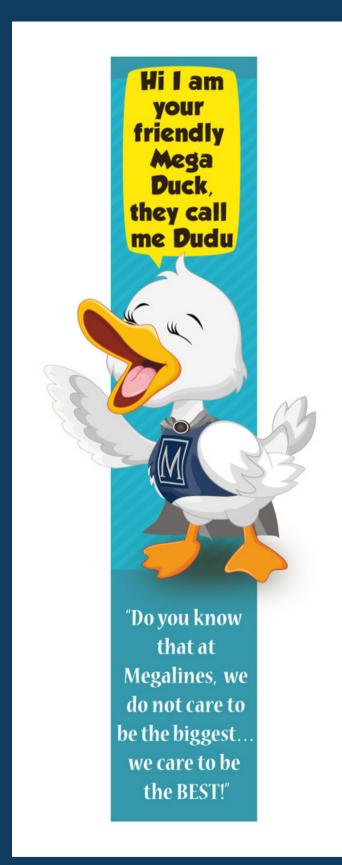

JANUARY 2021 - MEGA LINES PTY LTD - ABN 68 122 341 191 AFSL No. 495082

WHY FDC COORDINATION UNITS AND EDUCATORS (CARERS) NEED PUBLIC LIABILITY INSURANCE

Because Family Day Care Coordination Units and their Educators work with and care for children, childcare/Family Day Care programs face risks that are unique and differentfrom other small businesses.

Sometimes in a family day care setting, injuries happen and children may be seriously injured. At times, parents may seek legal action against a FDC Coordination Units or Educators for those injuries. There are also risks of damage to other people's property.
