Not independent

We, Mega Lines Pty Ltd are not independent, impartial or unbiased pursuant to section 923A of the *Corporations Act* because we maintain associations and relationships with issuers of insurance and other financial products and may receive remuneration, commission or other benefits when we provide personal advice to you in relation to insurance products and other financial products.

We may also be subject to direct or indirect restrictions relating to the financial products in respect of which personal advice is provided.

Further information about these benefits and relationships is set out in this Financial Services Guide.

If you have any questions about this information, please ask us.

This FSG sets out the services that we can offer you.

It is designed to assist you in deciding whether to use any of those services and contains important information about:

- The services we offer you.
- How we and our associates are paid.
- Any potential conflict of interest we may have.
- Our internal and external dispute resolution procedures and how you can access them.
- Arrangements that are in place to compensate clients for losses.

Further information when personal advice is given (*retail clients only)

We will provide you with further information whenever we provide you with advice which takes into account your objectives, financial situation and needs. This information may include the advice that we have given you, the basis of the advice and other information on our remuneration and any relevant associations or interests. This information may be contained in a Statement of Advice (SOA).

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the Insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those Insurers we deal with regularly.

Product Disclosure Statement (*retail clients only)

If you are a retail client and we offer to arrange the issue of an insurance policy to you, we will also provide you with, or pass on to you, a product disclosure statement (PDS) or short-form PDS, unless you already have an up to date PDS or short-form PDS from the Insurer. The PDS or short-form PDS will contain information about the particular policy, which will enable you to make an informed decision about purchasing that product.

From when does this Financial Services Guide (FSG) apply?

This FSG applies from 22 November 2025 and remains valid unless a further FSG is issued to replace it. We may give you a supplementary FSG. It will not replace this FSG but will cover services not covered by this FSG.

How can you give us instructions?

You can contact us to give us instructions by post, phone, fax or email on the contact details mentioned on page 1 of this FSG.

Who is responsible for the financial services provided?	Mega Lines Pty Ltd is responsible for the financial services that will be provided to you or through you to your family members, including the distribution of this FSG. Mega Lines Pty Ltd holds a current Australian Financial Services Licence No: 495082. The contact details for Mega Lines Pty Ltd are at the top of this FSG. Megalines also subscribes to the NIBA Insurance Brokers Code of Practice, details of which are available at www.niba.com.au .
What kinds of financial services are we authorised to provide and what kinds of financial product/s do those services relate to?	The financial services described in this guide are provided by Mega Lines Pty Ltd. Megalines holds Australian Financial Services Licence to provide financial product advice, deal in general insurance products for wholesale and retail clients (including issuing products for Wholesale Clients), and handle and settle claims. We may arrange insurance through: Australian authorised insurers; Lloyd's underwriters; Underwriting agencies; Binding authority facilities; Delegated underwriting arrangements. We act for you as your general insurance broker unless we advise otherwise. In certain circumstances, we act under binding authority agreements (also known as delegated authority arrangements) with insurers, including certain Lloyd's syndicates and other insurers. Under these arrangements, we may be authorised to accept risks, arrange cover, issue policy documentation, endorse policies and, where authorised, perform other administrative functions on behalf of the insurer. Where we act under such authority, we act as the agent of the insurer for those functions rather than as your broker, and we will advise you whenever this applies.
Will I receive tailored advice?	Maybe not in all cases. However, we may need information about your personal objectives, details of your current financial situation and any relevant information, so that we can arrange insurance policies for you, or to give you advice about your insurance needs. We will ask you for the details that we need to know. In some cases, we will not ask for any of this information. If we do not ask, or if you do not give us all of the information we ask for, any advice you receive may not be appropriate to your needs, objectives and financial situation. You should read the warnings contained in any SOA, or any other warnings that we give you, carefully before making any decision about an insurance policy. Where we provide you with advice about your insurance arrangements, that advice is current at the time that we give it. At renewal we may review your insurance however, in some cases we may automatically renew your insurance to ensure you continue to be covered. This renewal will not take into account any changes to your current financial situation or personal objectives or needs that you have not informed us of.
Contractual liability and your insurance cover	Many commercial or business contracts contain clauses dealing with your liability (including indemnities or hold harmless clauses). Such clauses may entitle your insurers to reduce cover, or in some cases, refuse to indemnify you at all. You should seek legal advice before signing and accepting contracts. You should inform us of any clauses of this nature before you enter into them.
Legal advice	Our duty as a general insurance broker does not extend to giving legal advice. You should consult your solicitor when you need advice on legal matters.
What information do we maintain about you and how can you access it?	We maintain a record of your personal profile including details of insurance policies that we arrange for you. We may also maintain records of any recommendations or advice given to you. We will retain this FSG and any other FSG given to you as well as any SOA, PDS or short-form PDS that we give or pass on to you for the period required by law. At Megalines, we are committed to implementing and promoting a privacy policy, which will ensure the privacy and security of your personal information. Megalines has taken the appropriate action to ensure we comply with the Australian Privacy Principles ("APPs") and have established a Privacy Policy. A copy of our privacy policy is available on request, or on our website at www.megalines.com.au. If you wish to access your file, please ask us. We will make arrangements for you to do so.

How will I pay for the services provided?

Payment for the services we provide you are payable directly to us at Megalines. For each insurance product, the insurer will charge a premium that includes any relevant taxes, charges and levies. We will receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to us by the insurers. In some cases, we may also charge you a broker fee. This will be shown on the invoice that is sent to you.

The invoice provides methods of payment for our services and details of payment terms (14 days). When the policy is through our Authorised Representative, we will pay the commission and broker fee to them after deducting a management fee for our services as Licensee. Non-payment of premium within applicable time frames could result in the insurer cancelling the contract of insurance or charging a penalty premium for time on risk.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. Depending on our arrangements with the insurer, we will retain any commission that was paid to us by the insurer for the policy. We may also charge you a cancellation fee.

The commission paid to us by insurers is included in the premium amount set out in your invoice. Together with the fee are reflective of a combination of factors relating to the provision and management of the services that we provide to you, including administrative services, pre-placement services and insurance placements, facilitating policy changes, as well as postplacement services which includes management of claims and advocacy during the claims process if an insured event occurs. When you pay us your premium it will be banked into our trust account. We retain the commission from the premium you pay us and remit the balance to the insurer in accordance with our arrangements with the insurer. We will earn and retain any interest on the premium while it is in our trust account.

If you require assistance from us with a claim which requires an unexpected and unusually significant amount of time or expertise, we reserve the right to make an additional charge for it. Any charges will be agreed with you before we provide the services so you always know how much you will be required to pay.

How are any commissions, fees or other benefits calculated for providing the financial services?

The commission the Insurer pays to Mega Lines Pty Ltd will be calculated based on the formula:

$$P \times Y\% = X.$$

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

$Y\%$ = the percentage commission paid to Mega Lines Pty Ltd by the Insurer. X = Mega Lines Pty Ltd's commission. Mega Lines Pty Ltd's commission varies between 0 and 30%.

We may also charge you a broker fee in addition to commission when you enter into an insurance policy. The amount of the fee will depend on the complexity of the services we are providing. The amount of any broker fee charged will be shown on your invoice.

Where a policy is through our Authorised Representatives, we deduct a management fee of between 0% and 22.5% from the total commission and broker fee before passing on the remainder to them.

Our employees that will assist you with your insurance needs will be paid a market salary and may also receive a performance bonus based on both the value and quality of the work they do for our clients.

Where a third party has referred you to us, we may share part of our fees/commission with them or pay an agreed referral rate. If we do, we will pay commissions to those people out of the commission and fees noted above (not in addition to those amounts), in the range of 0 to 50% of our commission or fees.

If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice.

See below for information on the Steadfast association and commission.

Do we receive non-monetary benefits for providing the financial service?

While providing services to you, we may receive non-monetary remuneration from insurers, underwriting agencies and third parties. This can include access to technology platforms and IT support, education and training, event sponsorship and marketing assistance. We do not accept non-monetary remuneration if this could reasonably be expected to influence the services that we provide to you.

Do we have any relationships or associations which might reasonably influence us?

Insurer Relationships

We sometimes enter into specific arrangements with a limited number of insurers (e.g. under binders or schemes) where we receive fees or other remuneration for the development of insurance solutions or the growth of various insurance portfolios. The remuneration we receive from these arrangements is variable and is determined by the profitability of the recommended insurance products.

We will only recommend these products where they meet your needs and are in your best interests. Any such relationship is managed under our conflicts of interest policy which all staff and representatives must comply with. If we cannot provide services to you due to a conflict of interest that cannot be managed we will notify you immediately. Where there may be a conflict of interest, we will contact you in a timely manner and clearly inform you that there may be a conflict of interest.

We work closely with a range of insurers and underwriting agencies to arrange high quality benefits, competitive pricing and superior service levels for our clients. Wherever possible we will recommend that clients deal with insurers that are authorised under the Insurance Act 1973 (Cth) to carry on insurance business in Australia and are subject to oversight by the Australian Prudential Regulation Authority.

We will warn you when we recommend an unauthorised foreign insurer. Some insurers give other benefits such as sponsorship of annual conferences, training and invitations to social business functions. These benefits may change from year to year. The receipt of these benefits may be based upon the volume of business placed with the provider but may also be more of an ad hoc reward. Occasionally we may also receive small gifts and gratuities. It is our policy that gifts or gratuities may be accepted only if they are of an incidental nature. These amounts are not additional costs to you. Despite the existence of any incentive, any decision to place business with such an Insurer will be based on the fact that this provides the best solution for you and not based on consideration of any incentive entitlement.

Steadfast Group Limited

Mega Lines Pty Ltd is a Steadfast Group Limited (**Steadfast**) Network Broker.

As a Steadfast Network Broker, we, our employees and our Authorised Representatives have access to member services including model operating and compliance tools, procedures, manuals and training, legal, technical, HR, contractual liability advice and assistance, group insurance arrangements, product comparison and placement support, claims support, group purchasing arrangements and broker support services. The licensee and premium funding companies

If we arrange premium funding for you with a premium funder, we may be paid a commission by the premium funder. We may also charge you a fee (or both). The commission that we are paid by the premium funder is usually calculated as a percentage of your insurance premium (including government fees or changes). If you instruct us to arrange premium funding for you, this is when we become entitled to the commission.

Commission rates for premium funding are usually in the range of 0 to 3% of funded premium. When we arrange premium funding for you, you can ask us what commission rate we are paid for that funding arrangement compared to the other arrangements that were available to you. The amount we are paid is set out in the premium funding contract. Some premium funders may pay us an administration and service fee for the distribution and management of their products.
